A History of Chinese Political Thought is a brilliant and highly accessible account of the many intersecting and often competing expressions of political philosophy that have flowed through and shaped Chinese history. Professor Kim does a masterful job weaving trenchant philosophical analysis together with careful historical detail, drawing ...

Social and Political Thought in Chinese Philosophy. First published Thu Jul 21, 2016. Issues in social and political thought have been central to Chinese philosophy from its earliest moments down to the present day. Neither “social” nor “political” have ready correlates in Chinese prior to the nineteenth century, but Chinese thinkers ...

Indeed, it views modern China as the inexorable culmination of earlier history. Second, in Hsiao's view, Chinese imperial history is characterized by authoritarian forms of government. Third, he regards Confucianism as a programmatic concept of Chinese political thought and Confucius as a "sudden" founder of it.

The goals of the conference were to highlight new scholarship on the rich political theorizing of the period, and to help establish modern Chinese political thought as a field not only

important in its own right but of interest to non-Sinophone scholars working on political theory, comparative politics, and global intellectual history.

["Key Texts" In Modern Chinese Political Thought Conference ...](#)

Chinese classical thought was directed primarily to politics in the wider sense, yet China produced relatively little systematic political philosophy. The Chinese cities of the Warring States period (481-221 bc) were not, like Athens, the home of maritime traders with

[Chinese political thought - Oxford Reference](#)

Introduction. Although debates abound as to when “modernity” in China began, modern Chinese political thought is here taken to mean thought on politics (broadly conceived) produced after the late 19th century, when Chinese intellectuals began a critical evaluation of their received traditions in light of domestic instability, the success of Japanese
